

## ISIS Fund Services Opens a Charlotte Office & Hires Steven Guptill as Senior Account Manager

ISIS Fund Services USA, Inc., a wholly owned subsidiary of ISIS Fund Services Ltd. (collectively "ISIS"), a Bermuda licensed provider of fund administration services to onshore and offshore alternative investment vehicles, has opened a full service fund administration office in Charlotte, NC. ISIS' Charlotte office will provide hedge funds and private equity funds with fund and portfolio accounting, investor servicing, AML/ATF and US partnership tax services\*.

Kristin Steele has been appointed President of the ISIS U.S. office and will be responsible for managing the day-to-day operations of the office in addition to her duties as Manager of Marketing & Business Development for the Company. Kristin will report directly to Ede Conyers, CEO of ISIS "I am excited to be given the opportunity to manage the Charlotte office and am very confident that the U.S. office will experience the same success as the Bermuda office because of the strong foundation built by the ISIS team and our commitment to client relationships" said Kristin. "I have been extremely pleased with our results since I joined in April this year and look forward to continue working with the ISIS team to expand our U.S. fund administration business."

"There couldn't be a better time to expand our business into the U.S., particularly in Charlotte which has huge resources, quality people and so much potential opportunity for growth. We are delighted to give Kristin due recognition for her exceptional efforts to date by appointing her as President responsible for the U.S. office" Ede Conyers, CEO.

ISIS is also proud to announce the hire of Steven Guptill as a Senior Account Manager in the Charlotte office. Steven joins ISIS from International Fund Services ("IFS"), a hedge fund administration company, where he was most recently an Officer of Fund Accounting and was responsible for numerous fund launches, conversions and accounting services for both hedge funds and private equity funds. Steve has a B.S. in International Management from Roger Williams University, Gabelli School of Business and is proficient in German (written and spoken).

Brian Desmond, COO "We are delighted that Steve has joined our US operation. He will be a great addition to the team with a wealth of fund administration experience having worked in the industry for over 7 years."

### About ISIS

ISIS is a specialist hedge fund administrator providing administrative and operational support to investment managers adopting a diverse range of investment styles. Its product offering specializes in hedge fund, fund of hedge funds, and private equity funds providing the global investment management industry with a comprehensive range of hedge fund services. With a strong focus on corporate governance, ISIS also maintains a considerable corporate secretarial practice which currently services 60 client entities based in Bermuda, the Cayman Islands and BVI.

ISIS was founded by a leadership team with significant in depth knowledge and expertise in fund administration. The leadership team has created a company that is client focused and has the ability to offer product and service tailored to meet clients' needs. ISIS' success is built on the stability, professionalism and expertise of a large organization combined with the flexibility, autonomy and character of a "hands on" niche provider.
