

Press Release: For immediate release

## ISIS Fund Services appoints a new Company Secretary

ISIS Fund Services Ltd. ("IFSL") the hedge fund administration specialist has appointed **Lynniece L. Robinson** as a Company Secretary.

Lynniece joined IFSL on 1 July 2008. Lynniece started her career with The Bank of Bermuda Limited, a Member of HSBC Group in May 1987 as a Secretary to a team of Administrators and earned successive promotions to the position of Deputy Manager in the Alternative Fund Services, Management Services Department. She was responsible for managing a team of administrators who provided corporate secretarial and administrative services for Bermuda registered mutual funds, unit trusts, partnerships, management companies, British Virgin Islands and Cayman registered vehicles. She was the named Secretary of the companies and a trustee committee member of the unit trusts.

**Ede Conyers**, Chief Executive Officer, added:

*"The application of good corporate governance is a significant focus of our business. We aim to protect shareholders interests, enhance disclosure and transparency, facilitate effective functioning of the board and legal and regulatory compliance.*

*At ISIS Fund Services, we strive for excellence – for our clients and from our staff. The standards we set ourselves are high to ensure that we provide exceptional client service and exceed the expectations of our clients. By recruiting Lynniece, and others like her, further demonstrates our ongoing commitment to invest in the highest caliber of resources for the benefit of our clients."*
